

YOR PROBIOTICS

ADVANCED FORMULA

OVER 40 BILLION MICROORGANISMS

YOR Probiotics Advanced Formula is a high potency, digestive health innovation. Each strain has undergone a unique fermentation and freeze-drying process to maintain maximum viability for increased effectiveness. The patented stabilization technology allows our unique formula to survive the acid of the stomach, to deliver live beneficial bacteria to the colon, and keeps our probiotics in top condition without the need for refrigeration.

This blend is scientifically formulated to enhance the digestive process, and may:

- Promote regularity and healthy bowel function †
- Support healthy immune function †
- Promote a healthy pH environment in the colon †
- Help regulate the overgrowth of unfriendly microorganisms †
- Support the absorption of nutrients †

Directions: As a dietary supplement, take one (1) capsule upon rising or at bedtime with at least 8 oz. of water. Best taken on an empty stomach. Do not take within two hours of taking antibiotics. Dosage may be increased according to need as directed by health care practitioner.
