The income statistics above are for all YOR Distributors who were paid commissions during the period of Jan 02, 2009 - Jan 01, 2010, at the above ranks. A Distributor is defined as any person who: (1) executed a YOR Distributor Enrollment Application and Agreement; (2) has earned at least one commission check. Note that this excludes Registered Retail Customers, Select Customers, Distributors who did not renew and Customers or Distributors whose relationships with YOR were revoked. An individual who has executed the YOR Distributor Enrollment Application and Agreement, but has not fulfilled criteria (2) above is not a Distributor. That person is simply a Select Customer. If, and only when all criterias are satisfied does that person become a Distributor. Accordingly, the status of an individual can, and sometimes does, change throughout the course of a year.

The figures on this chart do not necessarily represent the income, if any, that a YOR Distributor can or will earn by his/her participation in the YOR Compensation Plan. These figures should not be considered projections or guarantees of your actual earnings or profits. Any guarantee or implication of earnings is misleading. Your success with YOR results only from successful product sales. This will require hard work, diligence, commitment, and leadership and is dependent on how well you exercise these qualities.

AS OF 01/10 THE NUMBER OF CURRENT YOR DISTRIBUTORS WHO HAVE NOT RECEIVED ANY COMMISSIONS, BONUSES OR OVERRIDES IS 3025 OR 81.54% OF SUCH DISTRIBUTORS. AS OF 01/10 THE MEDIAN AMOUNT OF COMMISSIONS, BONUSES AND OVERRIDES RECEIVED BY ALL CURRENT DISTRIBUTORS IN YOR IS \$161.56. 90.79% OF ALL CURRENT DISTRIBUTORS HAVE RECEIVED, IN THE AGGREGATE, LESS THAN THIS AMOUNT. 9.21% OF ALL CURRENT DISTRIBUTORS HAVE RECEIVED, IN THE AGGREGATE, MORE THAN THIS AMOUNT. AS OF 01/10 THE AVERAGE AMOUNT OF COMMISSIONS, BONUSES AND OVERRIDES THAT HAVE BEEN RECEIVED BY ALL CURRENT YOR DISTRIBUTORS IS \$171.41.

\* These figures are derived from income earned through Voip and YOR Health product sales from Jan 02, 2009 - Jan 01, 2010

# INCOME DISCLOSURE POLICY

YOR's corporate ethics compel us to do not merely what is legally required, but rather to conduct the absolute best business practices. To this end, we are providing the YOR Income Disclosure Statement ("YIDS"). The YIDS is designed to convey truthful, timely, and comprehensive information regarding the income that YOR Distributors earn. In order to accomplish this objective, a copy of the YIDS must be presented to all prospective Distributors.

A copy of the YIDS must be presented to a prospective Distributor (someone who is not a party to a current YOR Distributor Agreement) anytime the Compensation Plan is presented or discussed, or any type of income claim or earnings representation is made.

The terms "Income claim" and/or "earnings representation" (collectively "income claim") include: (1) statements of average earnings, (2) statements of non-average earnings, (3) statements of earnings ranges, (4) income testimonials, (5) lifestyle claims, and (6) hypothetical claims. Examples of "statements of non-average earnings" include, "Our number one Distributor earned XXX dollars last year" or "Our average Gold Distributor makes XXX per month." An example of a "statement of earnings ranges" is "The monthly income for an Emerald Distributor is XXX on the low end to YYY on the high end.

A lifestyle income claim typically includes statements (or pictures) involving large homes, luxury cars, exotic vacations, or other items suggesting or implying wealth. They also consist of references to the achievement of one's dreams, having everything one always dream of, and are phrased in terms of "opportunity" or "possibility" or "chance". Claims such as "My YOR income exceeded my salary after six months in business," or "Our YOR business has allowed us to spend more time with our kids" also fall within the purview of "lifestyle" claims.

A hypothetical income claim exists when you attempt to explain the operation of the Compensation Plan through the use of a hypothetical example. Certain assumptions are made regarding the: (1) number of Distributors sponsored, (2) number of downline Distributors, (3) average product volume per Distributor, and (4) total organizational volume. Applying these assumptions through the Compensation Plan yields income figures which constitute income claims.

In any non-public meeting (e.g., a home meeting, one-on-one, regardless of venue) with a prospective Distributor or Distributors in which the Compensation Plan is discussed or any type of income claim is made, you must provide the prospect(s) with a copy of the YIDS. In any meeting that is open to the public in which the Compensation Plan is discussed or any type of income claim is made, you must provide every prospective Distributor with a copy of the YIDS. In any meeting in which any type of video display is utilized (e.g., monitor, television, projector, etc.) a slide of the YIDS must be displayed prior to any discussion of the Compensation Plan or making of an income claim.

Distributors who develop sales aids and tools in which the Compensation Plan or income claims are present must incorporate the YIDS into each such sales aid or tool prior to submission to the Company for review

Copies of the YIDS may be printed or downloaded without charge from the website at [www.yorhealth.com/opportunity](http://www.yorhealth.com/opportunity).
