The income statistics above include all YOR IRs who were paid commissions during the period of January 01, 2011 - December 31, 2011, at the above Paid As Ranks. An Active IR is defined as any person who: (1) executed a YOR IR Enrollment Application and Agreement; and (2) has earned at least one commission check. Note that this excludes IR who did not renew, any Registered Retail Customers, Select Customers, and Customers or IRs whose relationships with YOR were revoked. An individual who has executed the YOR IR Enrollment Application and Agreement, but has not fulfilled criteria (2) above is not an Active IR. If, and only when, all criterias are satisfied does that person become an Active IR. Accordingly, the status of an individual can, and sometimes does, change throughout the course of a year.

AS OF 01/2012 THE NUMBER OF CURRENT YOR INDEPENDENT REPRESENTATIVES WHO HAVE NOT RECEIVED ANY COMMISSIONS, BONUSES OR OVERRIDES IS 9569 OR 63.39% OF SUCH INDEPENDENT REPRESENTATIVES. AS OF 01/2012 THE MEDIAN AMOUNT OF COMMISSIONS, BONUSES AND OVERRIDES RECEIVED BY ALL INDEPENDENT REPRESENTATIVES IN YOR IS \$0.00. 68.46% OF ALL INDEPENDENT REPRESENTATIVES HAVE RECEIVED, IN THE AGGREGATE, LESS THAN OR EQUAL TO THIS AMOUNT. 31.54% OF ALL INDEPENDENT REPRESENTATIVES HAVE RECEIVED, IN THE AGGREGATE, MORE THAN THIS AMOUNT. AS OF 01/2012 THE AVERAGE AMOUNT OF COMMISSIONS, BONUSES AND OVERRIDES THAT HAVE BEEN RECEIVED BY ALL YOR INDEPENDENT REPRESENTATIVES IS \$521.79.

The figures on this chart do not necessarily represent the income, if any, that a YOR IR can or will earn by his/her participation in the YOR Compensation Plan. These figures should not be considered projections or guarantees of your actual earnings or profits. Any guarantee or implication of earnings is misleading. Your success with YOR results only from successful product sales. This will require hard work, diligence, commitment, and leadership and is dependent on how well you exercise these qualities.

INCOME DISCLOSURE POLICY

At YOR Health, we believe in conducting the absolute best business practices at all times and go above and beyond what is legally required. As such, we provide you with the YOR Income Disclosure Statement ("YIDS"). The YIDS is designed to convey truthful, timely, and comprehensive information regarding the income that YOR IRs earn. In order to accomplish this objective, a copy of the YIDS must be presented to all prospective IRs.

Anytime the Compensation Plan is presented or discussed, or any type of income claim or earnings representation is made, a copy of the YIDS must be presented to a prospective IR (someone who is not a party to a current YOR IR Agreement).

The terms "Income claim" and/or "earnings representation" (collectively "income claim") include: (1) statements of average earnings, (2) statements of non-average earnings, (3) statements of earnings ranges, (4) income testimonials, (5) lifestyle claims, and (6) hypothetical claims. Examples of "statements of non-average earnings" include, "Our number one IR earned XXX dollars last year" or "Our average Gold IR makes XXX per month." An example of a "statement of earnings ranges" is "The monthly income for an Emerald IR is XXX on the low end to YYY on the high end.

A lifestyle income claim typically includes statements (or pictures) involving large homes, luxury cars, exotic vacations, or other items suggesting or implying wealth. They also consist of references to the achievement of one's dreams, having everything one always dreamt of, and are phrased in terms of "opportunity" or "possibility" or "chance". Claims such as "After six months in business, my YOR income exceeded

my salary," or "Thanks to our YOR business we've been able to spend more time with our kids" also fall within the purview of "lifestyle" claims.

A hypothetical income claim exists when you attempt to explain the operation of the Compensation Plan through the use of a hypothetical example. Certain assumptions are made regarding the: (1) number of IRs sponsored, (2) number of downline IRs, (3) average product volume per IR, and (4) total organizational volume. Applying these assumptions through the Compensation Plan yields income figures which constitute income claims.

In any non-public meeting (e.g., a home meeting, one-on-one, regardless of venue) with a prospective IR or IRs in which the Compensation Plan is discussed or any type of income claim is made, you must provide the prospect(s) with a copy of the YIDS. In any meeting that is open to the public in which the Compensation Plan is discussed or any type of income claim is made, you must provide every prospective IR with a copy of the YIDS. In any meeting in which any type of video display is utilized (e.g., monitor, television, projector, etc.) a slide of the YIDS must be displayed prior to any discussion of the Compensation Plan or making of an income claim.
