The income statistics above include all YOR Health IDs who were paid commissions, bonuses and overrides generated from the YOR Health Comp Plan and/or Contests during the period of March 18, 2019 to December 23, 2019, at the above Paid As Ranks. An Active ID is defined as any person who has enrolled in the YOR Health Opportunity and is entitled to (1) purchase YOR Health products at wholesale prices to resell to Retail Customers, (2) personally sponsor new RRCs, SCs and other IDs, and (3) take part in all company ID compensation and incentive programs. Note that this excludes IDs who did not renew, any Select Customers and/or IDs whose relationships with YOR Health were revoked. IDs maintain their Active Status through product sales. Accordingly, the status of an ID can, and sometimes does, change throughout the course of a year.

The figures on this chart do not necessarily represent the income, if any, that a YOR Health ID can or will earn by his/her participation in the YOR Health Compensation Plan. These figures should not be considered projections or guarantees of your actual earnings or profits. Any guarantee or implication of earnings is misleading. Your success with YOR Health results only from successful product sales. This will require hard work, diligence, commitment, and leadership and is dependent on how well you exercise these qualities.

INCOME DISCLOSURE POLICY

At YOR Health, we believe in conducting the absolute best business practices at all times and go above and beyond what is legally required. As such, we provide you with the YOR Health Income Disclosure Statement (“YHIDS”). The YHIDS is designed to convey truthful, timely, and comprehensive information regarding the income that YOR Health IDs earn. In order to accomplish this objective, a copy of the YHIDS must be presented to all prospective IDs.

Anytime the Compensation Plan is presented or discussed, or any type of income claim or earnings representation is made, a copy of the YHIDS must be presented to a prospective ID (someone who is not a party to a current YOR Health ID Agreement).

The terms “Income claim” and/or “earnings representation” (collectively “income claim”) include: (1) statements of average earnings, (2) statements of non-average earnings, (3) statements of earnings ranges, (4) income testimonials, (5) lifestyle claims, and (6) hypothetical claims. Examples of “statements of non-average earnings” include, “Our number one ID earned XXX dollars last year” or “Our average Sapphire ID makes XXX per month.” An example of a “statement of earnings ranges” is “The monthly income for an Emerald ID is XXX on the low end to YYY on the high end.

A lifestyle income claim typically includes statements (or pictures) involving large homes, luxury cars, exotic vacations, or other items suggesting or implying wealth. They also consist of references to the achievement of one’s dreams, having everything one always dreamt of, and are phrased in terms of “opportunity” or “possibility” or “chance”. Claims such as “After six months in business, my YOR Health income exceeded my salary,” or “Thanks to our YOR Health business we’ve been able to spend more time with our kids” also fall within the purview of “lifestyle” claims.

A hypothetical income claim exists when you attempt to explain the operation of the Compensation Plan through the use of a hypothetical example. Certain assumptions are made regarding the: (1) number of IDs sponsored, (2) number of downline IDs, (3) average product volume per ID, and (4) total organizational volume. Applying these assumptions through the Compensation Plan yields income figures which constitute income claims.

In any non-public meeting (e.g., a home meeting, one-on-one, regardless of venue) with a prospective ID or IDs in which the Compensation Plan is discussed or any type of income claim is made, you must provide the prospect(s) with a copy of the YHIDS. In any meeting that is open to the public in which the Compensation Plan is discussed or any type of income claim is made, you must provide every prospective ID with a copy of the YHIDS. In any meeting in which any type of video display is utilized (e.g., monitor, television, projector, etc.) a slide of the YHIDS must be displayed prior to any discussion of the Compensation Plan or making of an income claim.
